## Rejuvenate, re-energise and reinvigorate with The Elixir Clinic at FIVE Palm Jumeirah Dubai

**Dubai. UAE. 9 September, 2018.** FIVE Palm Jumeirah, the hottest hotel on Palm Jumeirah, has partnered with The Elixir Clinic, a leading bespoke wellness medical clinic, to offer hotel guests and residences a range of revitalising wellness treatments with their concierge service.

Whether you're looking to enhance your energy levels, recover from jet-lag symptoms, boost your immunity, or rejuvenate for a special occasion, The Elixir Clinic's treatments have got it covered with all the essential and natural nutrients your body requires to look good and feel great.

Available in the comfort of the room, suite or residence, The Elixir Clinic will offer their most requested treatments, including its range of, VitaDrip® infusions, Booster Shots, and Diagnostic testing for general health screening, vitamin and mineral deficiencies, or heavy metal intoxication within the body.

"We are excited to partner with The Elixir Clinic, who have become market leaders in intravenous (IV) therapy, to offer a range of natural, safe, effective, and scientifically-proven treatments to support a healthy lifestyle for FIVE Palm Jumeirah residents and guests. Available to book through the spa, these treatments are the ideal accompaniment to our experiences-led philosophy," said Chloe Waller, Spa Manager at FIVE Palm Jumeirah.

"At The Elixir Clinic, our ideology is to spread wellness and knowledge on the importance of sustaining long-term wellbeing with natural treatments. Creating bespoke experiences is part of Elixir's ethos and we are delighted to partner with FIVE Palm Jumeirah," said co-founders Acaena Amoros and Mahi Aramideh at The Elixir Clinic.

Guests can choose from an eclectic mix of services, including the most popular **VIP Elixir VitaDrip®**, created with over ten essential nutrients to detox, hydrate and energise. The Elixir Clinic has also developed two customised infusions exclusively for FIVE Palm Jumeirah to cater to the needs of hotel guests and residents: **Power Up VitaDrip®** and **Recovery VitaDrip®**. The Power Up VitaDrip® is ideal for strengthening the immune system and the perfect pick-me up as it's packed with nutrients such as B-vitamins and L-carnitine; perfect

for fitness enthusiasts. The **Recovery** VitaDrip® is designed for hydration and to replenish the balance of water and nutrients in the body; recover from jet-lag symptoms, dehydration or an action-packed weekend.

Alternatively, those looking for a quick fix can opt for the Elixir's intramuscular (IM) vitamin therapy; also known as Booster Shots. The menu includes the **B12 Booster** for a quick energy boost or **Mood Boost**, designed to improve overall mood and promote better sleep. Or what about a quick detox boost for the liver with the **Antioxidant IM**, which incorporates Glutathione - the master of all antioxidants – to help cleanse vital organs and rejuvenate the skin for a radiant healthy glow.

All VitaDrip® infusions and booster shots are administered by a prescribing physician after a full health assessment. The Elixir Clinic treatments at FIVE Palm Jumeriah range from AED250 up to AED1800.
