**September 2019, Dubai:** Soul Street, one of the most hotly anticipated restaurants in town, opened its doors this week at the hottest new hotel on the block – FIVE Jumeirah Village Dubai. And it was well worth the wait!

Located in the heart of Jumeirah Village Circle, Soul Street is a lively restaurant, bar and lounge offering honest, authentic and passionate street food from South America, Europe, Asia, India and the Middle East.

The new immersive dining experience encourages diners to sample street food favourites, socialise with neighbouring tables and take the perfect insta-shot with picturesque street art from international street artists. Dubbed one of the most Instagrammable spots in town, it promises to be the go-to place for after work drinks and mouthwatering bites.

The tapas style dishes are the product of a yearlong culinary discursion of global street food stalls, a hunt for the most talented chefs and grandmas' best kept secrets. Dishes, sauces and breads are crafted in house to ensure an authentic street dining experience. Foodies will be in their element at the casual dining spot, with a selection of specialty dishes including Beef Pho, Ceviche Tulum, and our favourite Pani Puri, in true Soul Street style with a shot of vodka on the side.

The food isn't the only thing on point at Soul Street! The eclectic mix of street art, graffiti and pop-art throughout, has been designed by five of the hottest street artists from around the globe. All murals embody the heart and soul of the street food styles represented within the restaurant. But that's not all! The street art is perfectly paired with a live DJ from Wednesday to Saturday, commanding an energetic street vibe for the ideal hangout.

Head to this cool new restaurant and bar early and take full advantage of its tasting offer, daily from 5PM-7.30PM. Enjoy three cocktails or house draughts and indulge in two starters from the main menu for AED140. That's the kind of happy hour we like!

Soul Street will also be kicking off its one-of-a-kind carnival brunch on 11<sup>th</sup> October from 1.30pm to 4.30pm, with prices starting from AED250 for non-alcoholic and AED350 alcoholic beverages. The heat will be turned up every Friday with tasty street food served tapas sharing style, along with unlimited beverages and show-stopping street performances. The party doesn't have to end at 5pm, the outdoor terrace adjacent to the popular social pool will open for an after-party that offers three beverages for just AED100!

What better way to kick off the week than with a new cool restaurant that knows how to get down?
